RULES AND REGULATIONS:

ADMISSIBLE DISPLAYS

Displays that are of a disruptive, objectionable or inappropriate nature—as interpreted by show management—will be removed from the show. This also applies if your vehicle is blocking isle traffic.

LATE ARRIVALS

Placement will be given on a first come first served basis. What this means is that you should get to the venue early. If a member of your crew arrives late, does not caravan with you, and is not in line with you at the time of roll-in, they will not be placed with you (NO EXCEPTIONS). Participants arriving for set-up after their scheduled roll-in time can be spotted in any location specified by show management, or may forfeit their show participation rights (NO REFUND).

RE-ENTRY

Each registered car participant will be allowed to bring one person with him at the time of roll-in. When you check in, you will be given two wristbands—one for yourself and one for whomever is helping you set up your vehicle. All others will be asked to return to the venue when the gates open to the public.

AMENDMENTS

- a.) The show management shall have the full power in the interpretation and enforcement of all terms, rules and regulations, and any further stipulations considered necessary for the proper conduct of the show.
- b.) Participants agree to comply with all standards and rules set forth by the judges and organizers of Elite Summer Nationals. Participant's failure to comply with such terms, rules and regulations shall entitle Elite Summer Nationals to terminate its obligations under this contract.
- c.) Participants agree to accept, under reasonable conditions, the final judgment and award of prizes of the judges of same event.
- d.) Participants agree to comply with all pertinent laws, codes and regulations of municipal or other authorities which affect the display space.

MODELS

All models in your display space must be in good taste. Elite Summer Nationals has many minors in attendance, and we need to make sure everything at the show is appropriate for all ages. No lingerie, extremely skimpy clothing and *absolutely no* stripping or lude acts. Also, if a model in your booth becomes disruptive to the show, management reserves the right to stop any activities.

FOOD & DRINKS

There will be no outside food or beverages allowed inside the venue.

DISPLAY SPACE

All display vehicles, displays, signs, stickers etc. must remain within your assigned show space at all times. Participants will be responsible for removal of all stickers left in the venue. If the expo center has to remove your stickers, the participant will be charged a fee for each sticker that has to be removed. No distribution of literature or placement of literature around the venue will be permitted (literature in your within your display is fine). **Any music must remain within the confines of your space or played at a level not to interrupt the business of surrounding vendors.**

TOBACCO CONTROL

Due to strong state and local laws banning the sale and distribution of tobacco to minors and the strong public policy discouraging smoking in an effort to prevent the multitude of diseases and other health hazards caused by tobacco consumption, Elite Summer Nationals expressly prohibits any display or advertising by companies in the tobacco or tobacco paraphernalia industries at Elite Summer Nationals. In addition, due to the strong likelihood that any sales or distribution of free samples of tobacco products will be obtained by minors at events, the sale or non-sale distribution by any vendor of tobacco and/or tobacco related products is also strictly prohibited at Elite Summer Nationals. Should Elite Summer Nationals find that any vendor is in violation of the provisions of this section, that vendor will be asked to immediately leave the event venue, their booth fees will not be refunded and such vendors will be prohibited from participating in future Elite Summer Nationals events.
